## Author's Note

*Hello, I'm Hailgwon (하일권), the author of Annarasumanara.*

*First, I would like to thank everyone who has read my manwha.*

***Annarasumanara** is my fifth work, succeeding **Sam-Bang-Ee Hairdressers**, **The Bass' Romance**, **The United Three**, **Kim Chang-Nam** and **My heart is beating**.*

*The idea for Annarasumanara began to take form one winter night a few years back, on my way back home after going to see 'The Sun's Circus'. I remember clearly that it was a freezing winter's day in Seoul, but the moment I stepped inside that rugged tent, I felt like I had been transported to a fantasy world, completely apart from reality. I wanted to capture that feeling on paper.*

*I added flesh to the theme 'Magic', and I created a boundary between adult and child through the concept of 'Magic'. And that was how Annarasumanara was created.*

*I thank the many professional magicians who offered me advice. I am also very thankful for all your comments – both encouraging, and those that pointed-out the faults in the manwha.*

*I would also like to thank the Naver Webtoon Administrators, the Association of Korean Manwha, Jo-eun Sun-Yul (who produced the digital OST for **Annarasumanara**), the So-Dam publisher (who collected my work into this beautiful book), and finally, my girlfriend, Eun-Kyung, who wrote the handwritten text in Annarasumanara.*

*Wishing that this work will be of some meaning to you,*
***2011. Hailgwon.***

## Character Introduction

### *Yoon Ah-ee*

*Barely manages to scrape by with her part-time job and the government dole. She used to dream of being a magician, but now, when every day is a trial for her to struggle through, magic is a mere extravagance. She encounters a magician, who enters her life and begins to reawaken those long-forgotten, precious feelings.*

### *Na Il-Deung*

*Yoon Ah-ee's partner in class. Academically, he is in the top 0.01% in South Korea. Born into a good family, extremely clever, and very good-looking, he is the target of everyone's jealousy and admiration. He wants to be either a lawyer, a judge, or a prosecutor, and thinks that magic is something ridiculous and useless. He is shocked to find himself being attracted to the magic the strange magician performs.*

### *The Magician*

*He claims to be a real magician, and lives in the closed down theme park. Why is he living there? What is the identity of this mysterious man?*

There are no more lights.

But there is this strange magician there.

I couldn't believe he was doing something so childish even though he's already an adult..

It was pathetic.

Mum,
Did you remember?

Long ago, my dream was to become a magician.

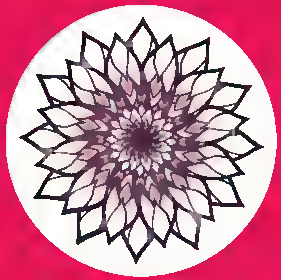
# Attributes of a Toy



When I was little,

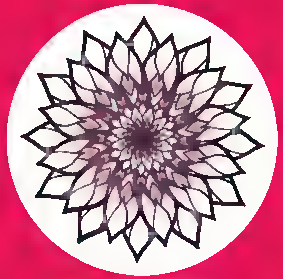
Cursed Child



The theme park I saw as a child...

Always glittered in splendor,

like a magic castle from a fairy tale.

When I was there,

I felt happy, as if I was under a magical spell,

That turned me into a fairy tale princess.

I did not know,

That my fate was to be cursed with poverty.

LOOK AT THIS~ I TOOK A PHOTO OF THAT MAGICIAN YESTERDAY

Because he can't cope with reality.

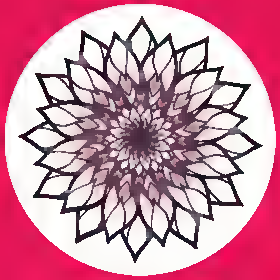
## Wanting

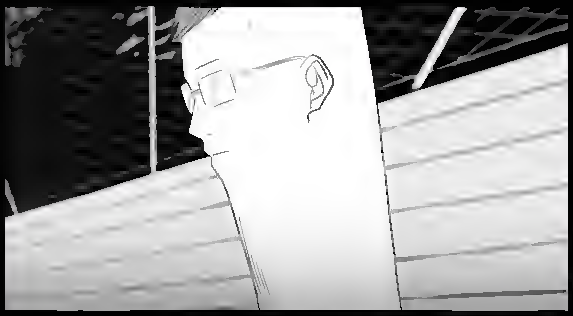


Il-Deung has been sitting there for thirty minutes without saying a word...

Ah...What's up with this situation...?

...Why...Why me?

Ah...What should I do...?



Il-Deung is definitely a great guy.

He's handsome, rich, and an outstanding student as well.

His personality doesn't seem that bad, and he's considerate too...

This might sound rather shallow, but ..

if I do go out with Il-Deung...

I'm sure I'll have more to gain than lose.

Since he's smarter than me...
I could ask him questions about things I don't know
when we study together...

I could borrow books or textbooks to my heart's content...
He might even treat me to expensive meals sometimes...

And...

If...

We ended up getting married...

This is what I've always desired ..This bright future...

What I desire most is...

Money and...

...the affluence that accompanies it.

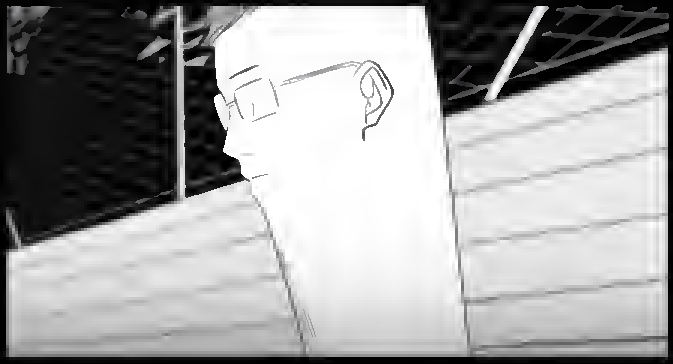
What I've always desired is a typical adult's typical life.

Whether I think about this logically...

or even in a shallow, insincere way...

From anyone's perspective...

This is...an excellent opportunity...



Il-Deung can turn my desires into reality.

What I desire.

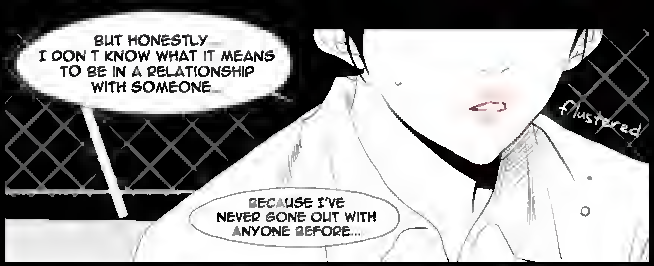
What I desire.

# What I really desire.

MAGIC
YOU USED TO
LOVE IT WHEN YOU
WERE LITTLE...

Mum, I think I still have a long way to go..

SORRY...



BUT HONESTLY...
I DON'T KNOW WHAT IT MEANS TO BE IN A RELATIONSHIP WITH SOMEONE...

BECAUSE I'VE NEVER GONE OUT WITH ANYONE BEFORE...

HAHA...THAT'S OKAY...
gulp

TO BE HONEST, I ASKED YOU WITHOUT GIVING IT MUCH THOUGHT MYSELF
push
IT'S JUST THAT YOU SIT NEXT TO ME AND I ALWAYS SEE YOU. I DON'T KNOW WHY, BUT I JUST BLURTED IT OUT. SO DON'T THINK TOO MUCH OF IT

LET'S JUST STAY GOOD FRIENDS.
THAT'S... OKAY WITH YOU, RIGHT...?
OH...?
YEAH...
THEN I'LL LEAVE FIRST...
GOOD LUCK STUDYING FOR YOUR MIDTERMS! SEE YOU TOMORROW!

YEAH...

THIS IS GOOD, I GUESS. HE TOOK IT SO CASUALLY.

YOU'RE LATE TODAY...
IT'S YOUR FIRST EXAM AS A SECOND YEAR...
DO YOU THINK YOU WILL TAKE FIRST PLACE THIS YEAR TOO?
HONEY...STOP SAYING SUCH THINGS...

*T/N: IL-DEUNG CAN MEAN "FIRST PLACE", WITH "NA" BEING "I", SO NA IL-DEUNG CAN BE INTERPRETED AS "I'M FIRST PLACE/I'M AT THE TOP/I'M THE BEST/ETC." IT'S A PUN!*

Of course he'll take First place! Why are you even questioning that?!
Our Il-Deung already belongs in the top 0.01% of all of Korea!! HAHAHA!!!
ISN'T IT GREAT, IL-DEUNG? YOU HAVE SUCH A BRIGHT FUTURE AHEAD OF YOU...
THAT'S RIGHT! FROM HERE ON OUT, YOU ONLY NEED TO STAY IN FIRST PLACE!
